

## Doggo Complaint #4129

**Complaint Date** 7/14/2021

**Complaint Disposition** License Revoked

### Complaint Details

I was eating lunch at my desk, like I always do, and I realized I'd forgotten to pack a drink. I ran down to the lobby to get a soda, and when I came back to my desk, my lunch was gone!

None of my co-workers saw what happened, but when I went to Captain Mouth's corner of the office (he's our office doggo), I saw bits of torn brown paper everywhere and his breath stank of pastrami. My lunch had been a pastrami sandwich in a lunch sack!
